« Prendre soin en Haut-Quercy »

ANNEX BY THE RESIDENTIAL CONTRACT OF EHPAD PRÉ D'AUBIE AND USLD OF HOSPITAL ST-JACQUES DE SAINT-CERE

The prices mentioned in article 5 of the residential contract are the following:

Prices for housing:

They cover all the hotel services (general administration, host facilities, eating facilities, maintenance, activities and social life) which are not related to the de state of dependency of the residents.

USLD*	EHPAD Pré d'Aubié**
39,57 €/day for a room	59,58 €/day For a T1A
	67,92 €/day For a T1Bis occupied by one person
	40,51 €/day/person For a T1Bis occupied by two persons

* Prices USLD from 01/03/2019 on

** Prices EHPAD from 01/01/2020 on

The Resident can request Housing Benefit on the provision to comply with the income conditions.

Prices Dependency:

They cover all the services related to assistance and surveillance necessary to carry out the essential daily tasks which are not related to care. They are modulated according to the degree of dependency of the person and are assessed according to the national AGGIR grid (Autonomy – Gerontology – Groups – Iso – Resources). The Residents are thus classified in iso-resources groups. This classification is then confirmed by the doctor of the medical-social team of the General Council and the counsel practitioner of the National Health Service. The classification is revised at least once a year.

The prices for dependency and the prices for care are determined according to the aforesaid classification,

Prices for dependency	USLD*	EHPAD Pré d'Aubié**
Persons in categories GIR 1 and GIR 2	23.71 €	21,30 €
Persons in categories GIR 3 and GIR 4 :	15.05 €	13,52 €
Persons in categories GIR 5 and GIR 6 :	6.38 €	5,74 €

* Prices USLD from 01/03/2019 on

** Prices EHPAD from 01/01/2020 on

The allowance called 'APA' (Individual Autonomy Allowance) helps to pay in part for the dependency expenses, this allowance is granted by the President of the General Council and paid out directly to the institution which has made the choice to receive a yearly endowment.

Prices for care:

The daily rates for care and the amount of the global endowment for care are determined by the competent authorities of the National Health Care and are paid by the National Health Insurance.

However, the following services are not included in the prices for care:

- Scanners, MRI
- Fees for specialists or general practitioners
- Dental costs: regular dental care, surgery and dental prosthesis
- Individual devices to compensate motor and sensorial incapacity
- Covering for institutions proposing alternative care other than hospitals
- Ambulance services

Special prices :

Persons under the age of 60 are not classified in iso-resources groups according to their level of dependency. These persons will have to pay a set price covering the housing and dependency services of **74,47 € for USLD*** and **73.83 € for EHPAD****

** Prices USLD from 01/03/2019 on*

*** Prices EHPAD from 01/01/2020 on*
